Protect sore nipples during breastfeeding

**PHILIPS**  
sense and simplicity

## Specifications

### Country of origin

- England

### What is included

- Small Nipple Protector: 2 pcs

### Weight and dimensions

- Diameter: 15 mm

## Product highlights

### Shaped to allow skin contact with baby

Your baby can still feel and smell your skin and continue to stimulate your milk supply while suckling, and will return easily to the breast once your nipples are healed.

### Protect sore nipples during breastfeeding

Nipple Protectors are only designed for use when you have sore or cracked nipples and should be used with health professional advice.
